

## PSA – Where you Live

It's been said that "where you live should not decide whether you live, or whether you die," but in many parts of the world – like Africa – where you live is still the biggest factor affecting your quality of life

Inspired by Bono's dedicated efforts to help the people of Africa, a group of U2 fans formed the African Well Fund. This month, the AWF honors Bono by holding a special campaign celebrating his birthday on May 10.
